***Dear Friend of the Clubs,***

The Boys & Girls Clubs are a crucial piece of our community. A community of people who will do whatever it takes for our kids. As an integral part of this culture, it is our pleasure to recognize and thank our supporters. There is no better way to thank donors than to have the leading champions of our community be honored as distinguished citizens at a jaw dropping public event. What better way to thank donors and honor citizens than by having them perform and dance, all for the clear purpose of ensuring great futures for our youth.

Enclosed you will find our Sponsor Guide, which shares all the benefits of being a sponsor for Season 8.

This event is truly a spectacle and a wonderful time filled with support, fun and excitement. We would be honored and filled with gratitude for your participation.

Yours in Dances and Donations,
